What we are doing

Priority 1 Road Safety:

- Conducting Speeding Enforcement when the issue is most prevalent, sporadically but regularly across the beat.
- Issue Traffic Offence Reports (TORs) for offences.
- Utilising beat surgeries to educate members of the public as to road safety and to encourage the reporting of such behaviour which is contrary to this.
- Conducting high visibility patrols of hotspot areas to deter further offences from occurring.

Priority 2 Antisocial Behaviour (ASB):

- Patrols of Parks and other recreational and business areas where ASB is being reported to be occurring.
- We have been engaging with local youths discouraging them from becoming involved in such behaviour.

Priority 3 Burglaries:

- Targetted patrols of the beat area to deter burglaries from occurring.
- Giving out crime prevention advice to members of the public.

News

Last month I spent a fair amount of time dealing with vehicle related crime.

Worried about having your car stolen? If so here are a few measures that can be put in place to help prevent/deter thieves from stealing yours:

- Ensuring your vehicle is locked when unattended.
- Keeping keyless entry vehicle keys in a faraday pouch when not in use.
- Having a tracking device installed in your vehicle.
- Utilising a steering lock for the steering wheel.
